8	PHILIPPINE OVERSEAS CONSTRUCTION BOARD (POCB) – CONSTRUCTION INDUSTRY AUTHORITY OF THE PHILIPPINES	12 Doris U. Gacho	Executive Director Philippine Overseas and Domestic Construction Board	The Philippine Overseas Construction Board (POCB) is an implementing board of the Construction Industry Authority of the Philippines, a government agency attached to the Department of Trade and Industry. The POCB has the sole mandate of implementing the state policy of promoting the interests of the Philippine construction industry in overseas markets by actively encouraging and supporting activities that lead to increased and sustained exports of management, engineering, and other technical, and highly-skilled manpower supply services for overseas construction projects and Philippine-made construction materials and equipment. To safeguard the interests of both client and supplier, we regulate and control the participation of Filipino construction contractors and consultants in overseas construction projects and administer the grant of available incentives. The Philippine Overseas Construction Board is chaired by Mr. Isidro Consunji who is also chairman of DMCI Holdings, Inc. Other members of the Board include Mr. Oscar Mercado of EEI Corporation, Mr. Michael Robert Reyes of DCCD Engineering Corporation, and Mr. Francisco Gonzalez of Romago Incorporated. Thirty-five (35) of over ten thousand Filipino construction companies are accredited and authorized by the Philippine Overseas Construction Board to participate in overseas construction projects.
