# LVIV HANDMADE CHOCOLATE

chocolate.lviv.ua

LVIV HANDMADE CHOCOLATE

**PRODUCT:** handmade chocolate products

**ANNUAL PRODUCTION CAPACITY:** 450 tons

**EXPORTING TO:** Azerbaijan, Poland

**CERTIFICATES:** HACCP

The company was founded in 2009 in Lviv and became an integral part of modern Lviv, as since Medieval Times the city has been well known for “delicious confectionery” and starting from the 19th century Europe began exporting chocolate from Lviv. “Lviv Handmade Chocolate” has become a traditional souvenir from Ukraine that tourists bring to different countries.

In 2010 “Lviv Handmade Chocolate” started to offer a part of Lviv nationwide, and grew into a chain of chocolate shops and cafés creating a “Lviv unique atmosphere”. In December 2015 “Lviv Handmade Chocolate” started to develop its chain in Asia and opened a restaurant in Baku, the heart of Azerbaijan. Nowadays there are 51 restaurants in 26 cities within Ukraine, including 3 successful shops in Baku.

# PHENIX INVEST TRADE

**jamero.coffee**

**PRODUCT:** whole bean and ground coffee (with and without caffeine)

**ANNUAL PRODUCTION CAPACITY:** 360 tons

**EXPORTING TO:** Bulgaria, UAE

**CERTIFICATES:** ISO 22000, Kosher, Halal, ECO Certificate

“Phenix Invest Trade” Ltd. is a wholesale Ukrainian coffee roasting company. It is a full-cycle coffee production. The company offers coffee whole beans and ground under own brands - “Jamero”, “Gufo Verde” and “Ethno Kava”.

The company has substantial experience in working under Private Label.

The coffee has been highly rated by coffee-lovers in Ukraine as well as in the EU and Gulf countries. The company uses only high-quality raw materials and roasts coffee beans on a modern equipment using a “slow roasted” technology, which allows to fully reveal coffee’s individual taste and retain its inherent aroma. The stable high quality of products are guaranteed due to practicing the control system of the roasting process using computer equipment.

The range of the products is approximately 60 varieties of Arabica coffee and over 20 blends. Offered packaging is from 9 g (a single-serve portion) to 4 kilos. Up to 80% of the production capacity can be used for products to be exported.
